

# Activating Association Codes on Springer Link

<https://link.springer.com/>

**February 2024**

# Introduction

**Welcome.**

**If you are reading this then you have likely received an association code from your society, organisation or institution and are wondering how to use it.**

**If you are new to Springer Link, then please start at the beginning with registering a new account.**

**If you already have a Springer Link account that you are using, then please jump ahead to the slide for instructions to activate Your Association Code.**

**Contents:**

- **Registering a New Account**
- **Activating Your Association Code**
- **Accessing Journal Content**

# Registering a New Account

Please go to <http://link.springer.com/>

- To register a new account on Springer Link please go to “Log in”:

The image shows a login/register page on Springer Link. At the top, there is a message: "Enter your email address to update your account to the new Springer Nature login on Springerlink." Below this is the heading "Log in, or register a new account to continue". There are two main options: 1) A form with the label "Email address" containing the text "maxmusterman@google.com" and a blue "Continue" button with a right arrow. 2) Two social login options: "Continue with Google" (blue button with Google logo) and "Continue with ORCID" (green button with ORCID logo). The word "OR" is placed between the two social login options.

# Registering a New Account

Please fill in all fields as required

- Given names
- Family name
- Password (12 or more characters)
- Repeat password

## Registering a New Account

---

**Please note:**

- **Your username for Springer Link will always be your email-address.**
- **Your password needs to meet the following requirements: Minimum 12 characters.**

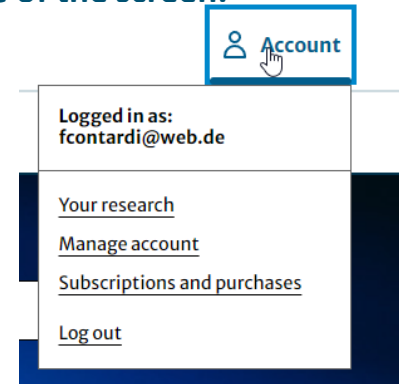

**When you have finished entering all your details please click on “ Register”**

**After registration is complete, you may proceed to activate your Association Code.**

## Activating Your Association Code

Once you have a Springer Link account you can activate your Association Code:

- Log in to your Springer Link account. (on the right side at the top).
- You will now see your e-mail address displayed on the top-right-hand side of the screen.

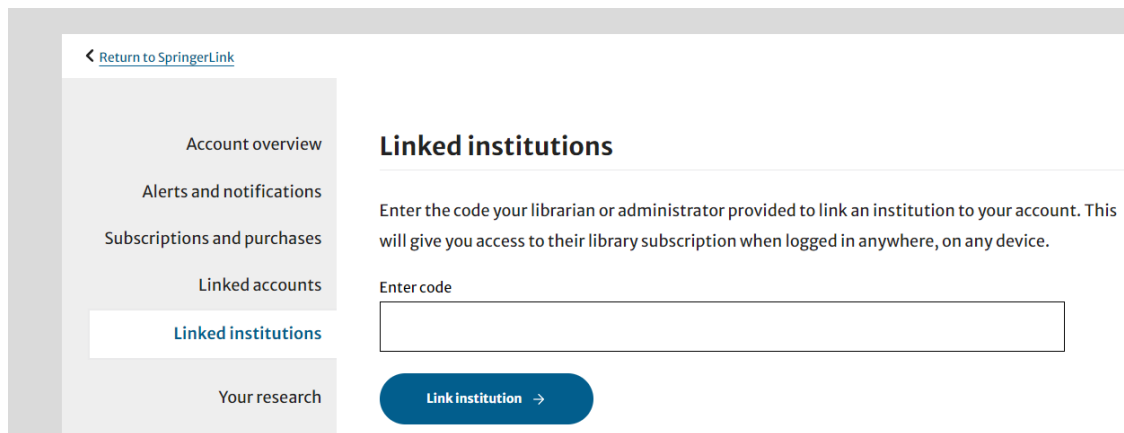

- Click on “Manage account” and then on “Linked Institutions”

## Activating Your Association Code

We recommend copying and pasting your code in order to avoid any typing errors.

- Now click “Link institution”.
- You should see a message informing you or your new access details.
- You are now an associated member of your society, institution or conference.

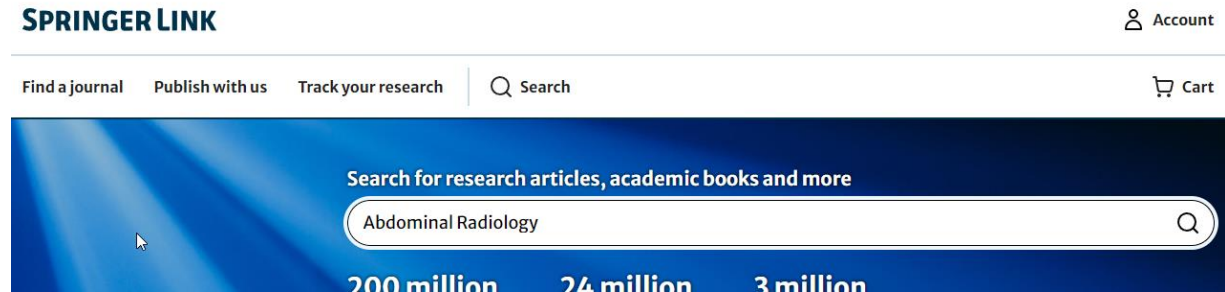

**Important:** it is now necessary to log out and then log back in for access to be updated.

## Accessing Journal Content

Once you have logged out and back in, you will have access to your publication .

To locate your journal please search for the journal title in the Springer Link search box.

- Your results may include other titles as well as articles from the journal you are looking for.
- Please locate your journal title in the search results.
- It may sometimes be necessary to scroll through the list to find your journal

# Accessing Journal Content

Now you are on the journal's homepage.  
To see all the available articles (including all back issues)  
click on “View all Volume & Issues”.  
Now you will see the whole content of the journal  
and you can make your own selection.
